FROM THE CEO

The summer continues to be busy at MCHA and we have been blessed with milder weather than usual.

Let's enjoy the nice weather while it lasts and before school begins. While doing so, please be respectful to your neighbors. Please keep the noise down.

Most area schools will be in session by the end of the month. Please be diligent in regards to watching out for the children who are walking to and from school and those waiting at area bus stops.

We hope all the students have a great school year.

Like always, important information and dates are published in our monthly newsletter. Please read carefully each month to keep informed and updated on any events that may be coming up.

We hope everyone enjoys the last part of the summer!

Have a Great Month!

Chief Executive Officer
